REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.323

Attn: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On behalf of the Applicants, the undersigned hereby requests that a Certificate of Correction pursuant to 35 U.S.C. §255 and 37 C.F.R. §1.323 be issued for the above-entitled patent. The corrections are indicated, in appropriate form, on attached form PTO/SB/44, which is submitted in duplicate.

The requested corrections are either (i) relate to typographical errors in the claims which were made by U.S. Patent and Trademark Office, and do not constitute new matter or require reexamination, or (ii) relate to errors resulting from good faith clerical or typographical mistakes made while drafting the patent application that was filed on October 1, 2004, and do not affect the scope of any claim. The patent is not currently involved in an interference.

The requested corrections that were due to applicants mistake are as follows:

- I. Column 6, line 50, replace "cirtonellal" with – **citronellal** –.
- II. Column 18, line 53, replace "is allowed to allowed to" with – **is allowed to** –.

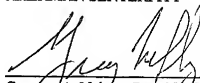

With respect to Mistakes I and II, it appears that these errors occurred during translation of the original German application. With respect to Mistake I, the original priority application recited citronellal (see attached Priority Application, page 10. In. 1). Mistake II is a clear typographical error. Clearly, both of the aforementioned corrections that were Applicants' mistake are related to correction of errors resulting from good faith clerical or typographical mistakes, and do not constitute new matter or require reexamination.

The remaining corrections relate to typographical errors in the claims which were made by U.S. Patent and Trademark Office, and do not constitute new matter or require reexamination.

As such, all corrections clearly meet all requirements of 35 U.S.C. §255 and 37 C.F.R. §1.323. For at least the foregoing reasons, it is respectfully requested that the Commissioner issue a Certificate of Correction making the aforementioned requested corrections. The Examiner is invited to call the undersigned (at 561-671-3624) if it is believed that a telephonic interview would aid in the issuance of a certificate of correction. The required fee of \$100.00 is enclosed. Please charge any underpayment or credit any overpayment to Deposit Account No. 50-0951.

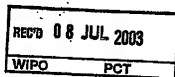

Respectfully submitted,

AKERMAN SENTERFITT
